

August 25, 2009

To All Alumni Members of Phi Chi Theta:

The next Phi Chi Theta National Chapter Meeting is scheduled for August 11-15, 2010 in Orlando, Florida. I would like to personally invite you to attend this meeting. It will be a great opportunity for you to see what we have been up to as an organization. You can take advantage of the meeting to reconnect with old friends and make new ones. It will also be a great opportunity for a little vacation especially if you have kids at home or are a kid at heart. I am already planning to bring my wife and kids to enjoy Orlando after the meeting. By attending the meeting, you can also demonstrate to the collegiates that alumni are dedicated to this organization and provide a network of professionals who can assist them in their career pursuits.

As you know the focus of each National Chapter Meeting is to educate the membership and govern the organization by voting on bylaws and officers. We strive to provide presentations that both educate the membership about Phi Chi Theta but that also help in their personal and professional development. To that end, I am asking for your help.

When I speak to most collegiate members about career aspirations, most express interest in working for a large company. When I was preparing to graduate, I thought the same thing. However, my options led me to Federal Service. I want to take advantage of the National Chapter Meeting to not only highlight the successes of our alumni but to also highlight alternative career choices. To that end, I am looking for 3-4 alumni to make presentations about their career choice and how Phi Chi Theta benefited them in their career. I would like to focus on individuals at least 10 years out of school so the collegiates can see your career progression. It will give them an opportunity to project their own potential and set goals to which to aspire. I would like alumni who work in one of the following fields: government service, small business owner/entrepreneur, and a large firm. I already have a volunteer who works in the non-profit arena. If you are interested please contact me at president@phichitheta.org.

If you want us to keep your name and email on file for future updates, please let me know.

Thank you for considering this opportunity.

Fraternally,

Gary Hodge
National President
Life Member
