
PHI CHI THETA HAZING RESOLUTION

- WHEREAS: We find hazing to be a detestable tradition which overshadows the positive and constructive accomplishments of this fraternity, and
- WHEREAS: Phi Chi Theta should strive to create an atmosphere where people are not ruled by intimidation and degradation and,
- WHEREAS: We find this to be a non-productive activity and,
- WHEREAS: Hazing is condemned by all colleges and universities, as well as being against many state laws,
- THEREFORE: Be it resolved that in order to advance the best interests of the fraternity, Phi Chi Theta prohibits hazing by any chapter or members thereof.

Adopted at the 1986 Biennial Meeting

With the rich history of this organization, each chapter has created many traditions during recruitment and pledging. Phi Chi Theta does not condone any activity or tradition that could be considered hazing.
